The undersigned agrees to pay for all utility services supplied by the Red Deer County to Red Deer County.

The undersigned hereby represents that he/she is the applicant or that he/she is an authorized agent for the applicant and that he/she has the authority to sign this contract for utilities service. The applicant agrees to pay for all utilities services supplied by the Red Deer County to the above service address until the applicant (or authorized agent) requests by letter or in person that the contract be terminated. It is understood that in the event of late payment or non-payment, in addition to other remedies the Red Deer County may have, the amount owing for utilities service shall bear a penalty charge in accordance to the Municipal Government Act and the Red Deer County Fee Bylaw. The applicant acknowledges that the failure to receive or loss of a utility bill cannot be accepted as a reason for non-payment.

The applicant hereby agrees to abide by the terms and conditions as specified in the Red Deer County Bylaw No. 2008/28, excerpt as follows:

"In the event a utility bill remains unpaid after the date fixed for payment, a penalty of five percent (5%) will be added to said account for the first month and one percent (1%) for each month following. The one percent (1%) interest charge will be calculated at the date of the utility bill on the "arrears" as at that date.

In the event an account remains unpaid in whole or in part for sixty (60) days, notice will be sent that service may be discontinued in 30 days. Unless the delinquent consumer has, within thirty (30) days after the date of the notice of termination, provided valid evidence of having paid the account in full, that consumer's connection to all necessary trunk lines may be severed so that no service will be provided, or the County may proceed with collection measures as provided in this bylaw."
